News Release

Dr. Lobins Receives Third Board Certification

North Coast Cancer Care is pleased to announce that Raymond L. Lobins, D.O. has passed his board certification in Hematology by the American Board of Internal Medicine.

Dr Lobins is in practice with North Coast Cancer Care and is also board certified in Internal Medicine and in Medical Oncology. He sees patients at the new North Coast Cancer Care in the Quarry Lakes business park, at Fisher-Titus Medical Center, and at NCCC's Clyde office which serves Bellevue Hospital and Fremont Memorial Hospital.

He resides in Huron with his wife Laura and son Alex.
